Student Satisfaction Survey

2.7.1. Online student satisfaction survey regarding to teaching learning process.

Vision
To be an Institute of Academic Excellence committed to provide Technical and Management Education.

Mission
To provide excellence in education and skills development by encouraging the students to be lifelong learners.
To facilitate the environment of growth and excellence for its students in their respective areas of interest.
To create a community of dynamic workers and learners that values personal development and mutual well being.
To undertake collaborative projects which offer opportunities of interaction with academia and industry.

"Transforming Aspirations into Achievements"
