Ref No: RIT/IQAC/2023-24/01

Date: 19th July, 2023

This is to notify you that the 13th meeting of the **Internal Quality Assurance Cell (IQAC)** will be held on 20th July 2023 at 4:00PM in IQAC cell.

Agenda points for the Meeting are as follow:

1. Confirmation of minutes of meeting of 12th IQAC Meeting.
2. Discussion on Review of Academic Performance by the Dean Academics.
3. Discussion on Innovation in Teaching and Learning Process.
4. Discussion on Course file and Evaluation of Previous Semester.
5. Discussion on Departmental Activity Calendar.
6. Discussion on Library book procurement for new students.
7. Discussion on Restructuring of PERC/ICC/Proctorial Board/Examination and other committees.
8. Discussion on Feedback Mechanism for faculty/students/Parents/stockholders.
9. Discussion on Extension/NSS/NCC Committee activities.
10. Discussion on the Alumni Meet of 2022-23 and suggestion for Alumni meet of 2023-24.
11. Discussion on Outcome Based Education ERP System of Institute.
12. Discussion on Placement activity according to the Placement Calander.
13. Any other point with the permission of chair.
14. Discussion on Administrative and Support Services Performance.
15. Discussion on New Infrastructure Development New Canteen and Nescafe.
16. Discussion on Research and Innovation Activities by the Dean Research and Development.
17. Discussion on Procurement of Interactive Pannel for Digital Learning.
18. Discussion on Admission Policy and Scholarship.
19. Discussion on Budget Allocation for Library and research and Development.
20. Discussion on Parents Teacher Meeting for Slow Learner Students.
21. Discussion on a new program B.Tech in CSE (AIML), including library requirements.

Your valuable participation in the meeting will contribute to the continued improvement of the institution's quality standards.

Vision

To be an Institute of Academic Excellence committed to provide Technical and Management Education.

Mission

To provide excellence in education and skills development by encouraging the students to be lifelong learners.
To facilitate the environment of growth and excellence for its students in their respective areas of interest.
To create a community of dynamic workers and learners that values personal development and mutual well being.
To undertake collaborative projects which offer opportunities of interaction with academia and industry.

"Transforming Aspirations into Achievements"

Discussions and Resolutions:

1. Confirmation of minutes of meeting of 12th IQAC Meeting

- Discussion: Review of the minutes from the 12th meeting, confirming the accuracy of the documented points.
- Resolution: Approval of the minutes from the 12th meeting as accurate and finalized.

2. Discussion on Review of Academic Performance by the Dean Academics

- Discussion: Examination of the overall academic performance of students, with a focus on performance trends and areas needing improvement.
- Resolution: The Dean Academics will present strategies to address areas where student performance is lacking, such as targeted academic support programs.

3. Discussion on Innovation in Teaching and Learning Process

- Discussion: Explore new pedagogical methods, including the use of technology, active learning strategies, and interdisciplinary approaches.
- Resolution: Pilot the adoption of a blended learning model incorporating both online and in-class sessions in select courses.

4. Discussion on Course file and Evaluation of Previous Semester

- Discussion: Review the current structure of course files and the evaluation procedures of the previous semester.
- Resolution: Revise the course file format to ensure it meets the current academic standards and includes all necessary documentation.

5. Discussion on Departmental Activity Calendar

- Discussion: Review and finalization of the departmental activity calendar for the upcoming academic year, including events, seminars, and workshops.
- Resolution: Approve the activity calendar, ensuring alignment with academic schedules and available resources.

6. Discussion on Library Book Procurement for New Students

- Discussion: Assess the need for new books and resources for incoming students in the new academic session.
- Resolution: The library will procure essential books and reference materials based on student feedback and faculty recommendations.

7. Discussion on Restructuring of PERC/ICC/Proctorial Board/Examination and Other Committees

- Discussion: Examine the current structure and functioning of the PERC, ICC, Proctorial Board, and examination-related committees.
- Resolution: Propose a restructuring plan to enhance the effectiveness of each committee, including possible role realignments and additional responsibilities.

8. Discussion on Feedback Mechanism for Faculty/Students/Parents/Stockholders

- Discussion: Evaluate the current feedback mechanisms for faculty, students, and other stakeholders.
- Resolution: Implement an online feedback system to collect data more efficiently and regularly from all stakeholders.

Vision

To be an Institute of Academic Excellence committed to provide Technical and Management Education.

Mission

To provide excellence in education and skills development by encouraging the students to be lifelong learners.
To facilitate the environment of growth and excellence for its students in their respective areas of interest.
To create a community of dynamic workers and learners that values personal development and mutual well being.
To undertake collaborative projects which offer opportunities of interaction with academia and industry.

Email : ritroorkee@gmail.com Website : www.ritroorkee.com Mob.: 9927099210, 9927099219

9. Discussion on Extension/NSS/NCC Committee activities.

- Discussion: Evaluate current committee activities for alignment with goals, impact, and student participation.
- Resolution: Develop annual plans, appoint coordinators, and ensure periodic reviews for progress and effectiveness.

10. Discussion on the Alumni Meet of 2022-23 and Suggestions for Alumni Meet of 2023-24

- Discussion: Review the outcomes and feedback from the 2022-23 alumni meet and gather suggestions for improving the next alumni meet.
- Resolution: Organize a hybrid alumni meet for 2023-24, allowing both in-person and virtual participation.

11. Discussion on Outcome-Based Education (OBE) ERP System of Institute

- Discussion: Analyze the current status of implementing the Outcome-Based Education system and the integration with ERP.
- Resolution: Continue with the gradual implementation of OBE with ERP for tracking learning outcomes and ensuring consistency across courses.

12. Discussion on Placement Activity According to the Placement Calendar

- Discussion: Review the current placement calendar, and assess whether it meets industry timelines and student availability.
- Resolution: Adjust the placement calendar as needed to optimize the placement process and maximize student participation.

13. Any Other Point with the Permission of Chair

- Discussion: Open floor for any additional points not listed in the agenda.
- Resolution: Address any urgent issues or new initiatives that have emerged.

14. Discussion on Administrative and Support Services Performance

- Discussion: Assess the current performance of administrative and support services, including student services, HR, and facilities.
- Resolution: Identify any areas for improvement and allocate resources accordingly to enhance service quality.

15. Discussion on New Infrastructure Development (New Canteen and Nescafe)

- Discussion: Review the plans for developing new infrastructure, focusing on the canteen and Nescafe kiosk for student convenience.
- Resolution: Approve the proposed designs and timelines for the construction of the new facilities.

16. Discussion on Research and Innovation Activities by the Dean Research and Development

- Discussion: Review ongoing research and innovation initiatives, including funding, collaborations, and publications.
- Resolution: Encourage faculty and students to participate in more interdisciplinary research projects and secure external funding.

17. Discussion on Procurement of Interactive Panel for Digital Learning

- Discussion: Examine the feasibility and benefits of procuring interactive panels for enhancing digital learning in classrooms.
- Resolution: Approve the procurement of interactive panels for key lecture halls and classrooms.

18. Discussion on Admission Policy and Scholarship

- Discussion: Review the current admission policy and scholarship criteria, considering potential

revisions for inclusivity and accessibility.

- Resolution: Revise the scholarship policy to ensure wider accessibility, particularly for underprivileged students.

19. Discussion on Budget Allocation for Library and Research and Development

- Discussion: Discuss the budget allocation for library resources and research and development activities.
- Resolution: Increase the budget allocation for research and development, particularly for student-led research projects and publications.

20. Discussion on Parents-Teacher Meeting for Slow Learner Students

- Discussion: Review the outcomes of previous parents-teacher meetings and discuss strategies for improving the support for slow learners.
- Resolution: Organize a dedicated session for slow learners and their parents, focusing on personalized learning strategies.

21. Discussion on a new program B.Tech in CSE (AIML), including library requirements.

- Discussion: Discussed necessary library resources to support the program. The library requirements included core textbooks, journals, e-resources, and AI/ML datasets.
- Resolution: Approve the procuring essential library resources, including subscriptions to IEEE and ACM journals, AI/ML-specific textbooks, and digital repositories.

Action Taken Report

The Action taken report of 13th Meeting of IQAC committee (Agenda Point wise) held on 20th July 2023 is as follows:

- 1. Confirmation of minutes of meeting of 12th IQAC Meeting**
 - **Action:** Ensure that any necessary follow-up actions mentioned in the minutes have been completed.
- 2. Discussion on Review of Academic Performance by the Dean Academics**
 - **Action:** Develop a monitoring mechanism to track academic performance across departments and take corrective actions if required.
- 3. Discussion on Innovation in Teaching and Learning Process**
 - **Action:** Assign faculty members to design and implement innovative teaching practices, with feedback mechanisms to assess effectiveness.
- 4. Discussion on Course file and Evaluation of Previous Semester**
 - **Action:** A task force will be created to review and enhance the course file guidelines, along with a detailed evaluation of the previous semester's results.
- 5. Discussion on Departmental Activity Calendar**
 - **Action:** Ensure that all departments have a finalized calendar and that it is communicated to all relevant stakeholders.
- 6. Discussion on Library Book Procurement for New Students**
 - **Action:** Set up a procurement committee to facilitate the acquisition process and ensure timely availability of books.
- 7. Discussion on Restructuring of PERC/ICC/Proctorial Board/Examination and Other Committees**
 - **Action:** Appoint committee heads to implement the restructuring and submit progress reports at the next meeting.
- 8. Discussion on Feedback Mechanism for Faculty/Students/Parents/Stockholders**
 - **Action:** Task the IT department with developing and maintaining the feedback platform and ensure it is integrated into the academic year cycle.
- 9. Discussion on Extension/NSS/NCC Committee activities.**
 - **Action:** Develop an annual plan for Extension/NSS/NCC activities, focusing on community engagement, skill development, and national service initiatives.
- 10. Discussion on the Alumni Meet of 2022-23 and Suggestions for Alumni Meet of 2023-24**
 - **Action:** Form an alumni meet planning committee to organize events and engage with alumni for suggestions and support.
- 11. Discussion on Outcome-Based Education (OBE) ERP System of Institute**
 - **Action:** Train faculty on utilizing the OBE ERP system effectively for better outcome measurement.
- 12. Discussion on Placement Activity According to the Placement Calendar**
 - **Action:** Collaborate with the placement cell and industry partners to confirm schedules and opportunities for student placement.
- 13. Any Other Point with the Permission of Chair**
 - **Action:** Ensure follow-up on any new issues raised during this discussion.

Vision

To be an Institute of Academic Excellence committed to provide Technical and Management Education.

Mission

To provide excellence in education and skills development by encouraging the students to be lifelong learners.
To facilitate the environment of growth and excellence for its students in their respective areas of interest.
To create a community of dynamic workers and learners that values personal development and mutual well being.

14. Discussion on Administrative and Support Services Performance

- **Action:** Implement a performance review system for administrative services and schedule regular check-ins for continued evaluation.

15. Discussion on New Infrastructure Development (New Canteen and Nescafe)

- **Action:** Allocate funds for the purchase and installation, with training sessions for faculty on utilizing the new technology.

16. Discussion on Research and Innovation Activities by the Dean Research and Development

- **Action:** Organize workshops to enhance research capabilities and submit proposals for new funding opportunities.

17. Discussion on Procurement of Interactive Panel for Digital Learning

- **Action:** Allocate funds for the purchase and installation of interactive panels and ensure proper training for faculty.

18. Discussion on Admission Policy and Scholarship

- **Action:** Update the admission policy and scholarship guidelines, ensuring timely dissemination of information to prospective students.

19. Discussion on Budget Allocation for Library and Research and Development

- **Action:** Submit the revised budget for approval and allocate funds to enhance library facilities.

20. Discussion on Parents-Teacher Meeting for Slow Learner Students

- **Action:** Schedule the meeting and ensure that academic counselors and special education staff are present to assist.

21. Discussion on a new program B.Tech in CSE (AIML), including library requirements.

- **Action:** Finalize the curriculum and course structure, establish a procurement committee for acquiring library resources

Any additional points raised and discussed with the permission of the chair will be addressed accordingly.
